## TRADITIONS ALL OUR OWN . . .

# GRADUATION 1982

Mr. Clark addresses the graduates.

Graduation is a time of mixed emotions. The joy of no more school, the sadness of friends separating, and the fear of surviving in the real world. The graduating class of 1982 had these feelings and many more as they took their place in line with the more than 1,000 seniors to receive their diplomas. The senior class was the largest in the history of Prince William County and possibly the state of Virginia. The class had five valedictorians who spoke to the class during the ceremony. The Ralph L. Barnett Stadium was totally packed with parents, friends and relatives of the graduating seniors as the ceremony proceeded. Threatening skies and a chance of rain held off during the exercise to allow for a memorable experience for all involved. Congratulations class of '82 — You made it!

Family and friends fill the crowded stadium.

# AN EVENING OF ROMANCE

Ricky Roberson dances the night away.

Taking a break from dancing.

The 1982 Junior-Senior Prom was a memorable one indeed. It was held in Fredericksburg, on June 4, at the Sheraton Inn. The theme of the Prom was "Just Once," an appropriate theme for the largest class ever to graduate from Gar-Field.

The great cascading stairway which led down to the ballroom was laced with tinsel and fluff. The students danced until 1:00 a.m. to the exciting music of Network.

Lori Haag and Mike Browne all "decked out."

# ACTIVITY FAIR

Jenny Clark and Tammi Krein at the Senior Class table.

Mike Hill and Dawn Avery getting volunteers for the yearbook staff.

Isn't anyone ever gonna sign up?

Pat Brooks and Ivy Mason take a minute off from working hard to get their picture taken.

Activity Period was started in the 1981-82 school year from an idea of Mrs. Lockette's. It was started mainly so freshmen could find out about the clubs and organizations of Gar-Field at the fair and then have a chance to participate. That is one of the benefits of activity period — no longer do students without after-school transportation have to miss out on joining clubs and organizations.

Although the activity period has been a great success, some of the teachers still feel that the activity period is an intrusion on their class time. They also feel that, as teachers and sponsors, the students felt that at the fair they were supposed to sign up. This has caused a few problems with oversized clubs. Also they feel that students joined a club simply to get out of class.

Other teachers feel that the activity period has been a great success. Hopefully activity period will be continued and improve year after year.

# SENIORITIS STRIKES . . .

Debbie Grimm, Pam Miller, Tammi Krein, and Sherry McCarthy avoid going to class at all costs.

Sara McKelvy, Lorraine Beisley, and Donna Wilson relax during class.

Senioritis — The mere word can strike fear and anxiety in the hearts of teachers, parents, and administrators. This highly contagious disease has such horrible symptoms as BOREDOM, MISSED ASSIGNMENTS, SKIPPING CLASS, TARDIES, and an all-round HATE of school. Even the best students have symptoms of senioritis.

What is to be done about this horrible disease? Many a worried teacher has tried to bring her class back to the reality of school without success. These poor, helpless students seem to be terminally stricken!!!

Even with all the end-of-senior-year activities such as prom, graduation practices, and powder puff, seniors for some reason cannot seem to get up enough motivation to give their classes their best effort. After all, you're only a senior once!!!

So BEWARE underclassmen. Cases have shown that some victims are actually long gone by the end of their junior year — when the reality of becoming a senior hits!!!

Hopefully a cure will be found — Other than that, the only hope is keeping the students alive and well until they can be released from their misery when they reach their long-awaited destination — GRADUATION!

## BLUE TEAM WINS IN O.T.

This year's powder puff game was a very exciting one indeed. Both teams gave it their best effort but in the end it was the Blue Team that was victorious. An overtime bootleg run by key player Sharon Prudot was the deciding play and won the game. Another key player was Lisa Johnson. The Blue Team was coached to a winning game by Rob Kriener, Troy Smith, Brian West, and David Raffield.

The Red Team also had some outstanding players. Christy Simpson and Patsy Majeski each contributed to the team's fine playing. They were coached by Eddie McCarthy, Warren Thompson, Tim Arbisi, and Charles Wagner.

The game was refereed by Mr. Courtney, Mr. Stevens and Mr. Oliver.

The entire wedding party poses for the "wedding album."

The sociology wedding was a culminating activity to the marriage and family unit in which student couples planned weddings and looked at the ins and outs of different types of relationships. Hopefully the weddings will be continued every year but it will be up to the sociology teacher, Mr. O'Shea, who originated the wedding idea three years ago.

The wedding was enjoyed by all but it was still a learning experience. Manners, etiquette and dress were explored and experienced as was the joy and nervousness of an actual wedding. The whole school took part in the festivities. The band provided a string quartet for the reception and food services catered a beautiful buffet brunch. Students elected all the major participants.

Here comes the bride! Melodie Martin

# FRIENDS

That's what friends are for, sharing.

Friends working together.

A friend is a priceless gem, an open heart and mind, always there to cheer you up when you are down. Someone to talk to and to complain to, even though he or she has something better to do. Friends will always take time out to be there when you need them.

This type of friendship is very important to students. Each morning in the halls, they meet and tell each other what has been going on in their lives. The friendship, however, doesn't end there. Students call each other after

The Gang's all here!

Students seeking aid from Mr. Bradsher.

school and talk for hours. Most of all friends are made through school or school related activities.

Without this outlet, school might become unbearable. Everyone needs someone to confide in, they need the opinion of someone they know would probably agree with them. Who would they turn to if their parents restricted them for no valid reason? What if they broke up with their boyfriend or girlfriend. Without friends, we might all go nuts!

Young Love . . . Cena Litton and Scott Arnett

# WORKING CLASS

"What ever happened to self-service?"

PIZZA HUT

The bell rings dismissing students from fifth period. Just one more period to go, but not for the majority of the working class at Gar-Field. Now it's time to leave school, hurry out to the student parking lot, jump in their cars, and quickly drive to their respective jobs.

These students who need an after-school job, for one reason or another (usually financial), sacrifice many luxuries enjoyed by non-workers. Those who get off early enough might catch the dance, however those are the lucky ones. Working also leaves little time for homework, let alone that 12 page term paper due at the end of the month.

Still, the employed Indians stick it out. Somehow the weekly paycheck always seems to justify the means. And with the coming of summer, money is a definite must to get the good times rolling and keep 'em rolling.

Angie Walker, serving ice cream.

Service with a smile — Kathy Novitsky.

Jenny Bucknam working at Mobil Gas Station as a cashier.

Like many other G-F students, Michele Penny works at a fast food restaurant.

Greg Lybarger checks the oil while working at a gas station.

The Golden Arches — McDonalds provides many students with a good part time job.

Dale Crockett spends much of his time working in a book store.

A cafeteria worker cleans up after the student invasion of the lunch room.

Ken Moyers, with lunch in hand, has a questioning look on his face.

Janet Morrissey spends her lunch hour playing on the computers in DP.

Deitrich Washington seems to be socializing rather than eating.

Jimmy Tutsock, Mark Grosskopf, Scott Warren, Kevin Manbeck, David Black, and Pat Mann enjoying their lunch.

Enjoying lunch outdoors.

Bobbie Sunday going back to class after lunch with a friend.

Students hang around the halls after the bell rings enjoying lunch as long as possible.

# LUNCH

15 minutes: "I don't know if I can wait that long." 10 minutes . . . 5 minutes . . . Finally, the bell for lunch rings. Out of the woodwork they come like hungry wolves. Most are headed for the cafeteria. Some just prefer to sit in the hall and socialize.

Now with only two lunch shifts there are more people to see at lunch. Chances are that you and your best friend have the same shift. It's a little more crowded but a lot more fun.

Crowded tables are a common site in G-F's Lunch 23 cafeterias.

# HAIR STYLES

How do you like it — long or short?

Bobby Kalski — a typical male haircut.

The layered look.

Tonya Wall In French Braids.

Lynn Corman

Chris Sprouse . . . A unique style.

That's totally Wow!

Along with the clothing, teenagers, boys and girls alike, put a lot of work in their hair. Hair has always been an important part of the student's appearance. It is a means of expressing oneself. If you want to see some of the latest hairstyles, take a seat in the main lobby and observe.

Hairstyles have changed over the many years. The old styles gave way to the Lady Di, the long hair activist style to the short John Kennedy style. After a while the old can make a new and better comeback, they just have new names.

The popular style worn in the 1980's is called wings or feathers. Still, there are new styles coming out every day.

Hair has changed so much in the last few years. Now it is becoming normal to see someone with blue, orange, red, green, and or purple hair. What will they think of next?

Mr. Cool — Mark Portz

Joanna Walbel — Wings

# PEP RALLIES

**CATCH THE SPIRIT!**

A few seniors show their spirit at the Potomac pep rally.

Donny Shiner says Gar-Field is number 1!

The senior class and band are getting fired-up.

"R-O-W-D-I-E that's the way we spell Rowdie; Rowdie, let's get Rowdie." This is just one of the many sounds you'll hear at a Gar-Field Pep Rally.

Pep Rallies have been going on ever since the first school rivalry. It has now become a ritual to have at least two pep rallies during football season. One, obviously, on the big Friday of the Gar-Field — Woodbridge game. Certain traditions have come out of pep rallies, things such as the Pep Club and the screaming war between the juniors and the seniors, to see who has the most spirit. Sometimes the seniors win; sometimes the juniors, but whoever the victors may be, they all have a great time.

Pat Rowe sports blue jeans, dock sandals, and a Fox shirt; doesn't he look studious?

The GQ look.

Shelly Perry, Bill Stynes, and Kristin Tilley show the casual fashion.

The preppie look.

Izod, Calvin Klein, Cheeno, Levis, Lee, and Le tigre; these are just a few of the names you might find on a Gar-Field student's slacks or shirts. They are the new designers of today's fashion.

Teenagers put a great deal of importance on their clothing. Gar-Field has all the latest fashions, the new designer clothing.

The name a student wears, unfortunately, determines part of the popularity he or she seeks. With designer jeans costing from 40 to 60 dollars a pair, not all parents can pay the price, especially if there is more than one teenager in

the family.

With clothing, it is again a case of history repeating itself. In the 50's girls wore dresses down to their knees, as they do now. Penny loafers have also made a strong and successful comeback.

New styles are being made every day. The OP's (Ocean Pacific) and surf shirts are found everywhere, even in the winter. Styles in the future will probably be just as wild and wonderful as they are now. Remember the old saying "It's the clothes that make the man or woman."

# GOOD TIMES

Going home is a great time.

Being with that someone special.

Pam Miller, Jenny Bucknam, and Diana Judy — Getting the Gossip.

Hanging Out

Believe it or not, studying can be fun too.

Part of being a teenager is having and remembering the good times. Good times are the special moments we will always remember and hold dear to our hearts. It's being with that special someone, that person who makes you feel good inside. Good times are when you are finally given your high school diploma. Good times are when you're playing that sport that makes you feel like you are flying.

All through life there will be good and bad times. But we will always remember the good times of high school.

Steve Manchester — Laid Back.

Jenny Bucknam — Getting ready for some fun.

# POSING PRETTY

## GAR-FIELD'S HAMS

Posing is a section for the hams of the school. You know, those of us that just have to do something crazy when anyone with a camera goes by. Luckily, Gar-Field has been blessed with many such people.

Everyone has a little ham in them. Just don't be afraid to show it every now and then.

So if someone of the 1982-83 Yearbook staff says "Smile," go ahead, flash that grin and pose.

# TRANSPORTATION

The big yellow buses get ready to take their passengers home.

Ford trucks are ram tough.

Christi Rodriguez uses the best form of transportation "walking"

"BJW-486"

Transportation plays a role in the life of every student, everyday. The means of transportation to school are as varied as the people being transported. We all must come to school by one form of transportation or another. Some walk, some drive, and some even ride. Whatever the means, Gar-Field students enjoy the many forms of mobility. Those lucky enough can drive to school or ride with a friend, while the less fortunate are restricted to either walking or riding the "yellow eagle" better known as the school bus.

Transportation is not, however, just used to get to and (or running in some freshmen's cases) becomes the only means of transportation. Students must walk to classes, lunch, and to and from their ride home. Of all the means mentioned, walking is that which all students have in common.

# THE DREADED IN-SCHOOL SUSPENSION

The entrance to I.S.S.

## I.S.S.

The new method of punishment seems to have many more advantages than disadvantages for students. You don't get unexcused absences and you get credit for all work you do while in I.S.S.

But it's not as easy as it seems — I.S.S. is a self-contained classroom with strict discipline, run by Mrs. Cone and Mr. Courtney.

But even with the advantages of I.S.S. over O.S.S. some students feel that they should be allowed to stay home and even come in tardy or skip knowing they'll have O.S.S.

Why do students get I.S.S.? Students get I.S.S. for a number of reasons. Smoking at the wrong time or in the wrong place, too many tardies, skipping school or class, and a number of other things will get the student into trouble.

Although the teachers don't enjoy all the extra paper work I.S.S. causes (grading papers and making assignments) some teachers wish their students would work as well all the time.

Matt Brophy and Sean Murphy — I.S.S. isn't all that bad.

# FIERCE RIVALRIES

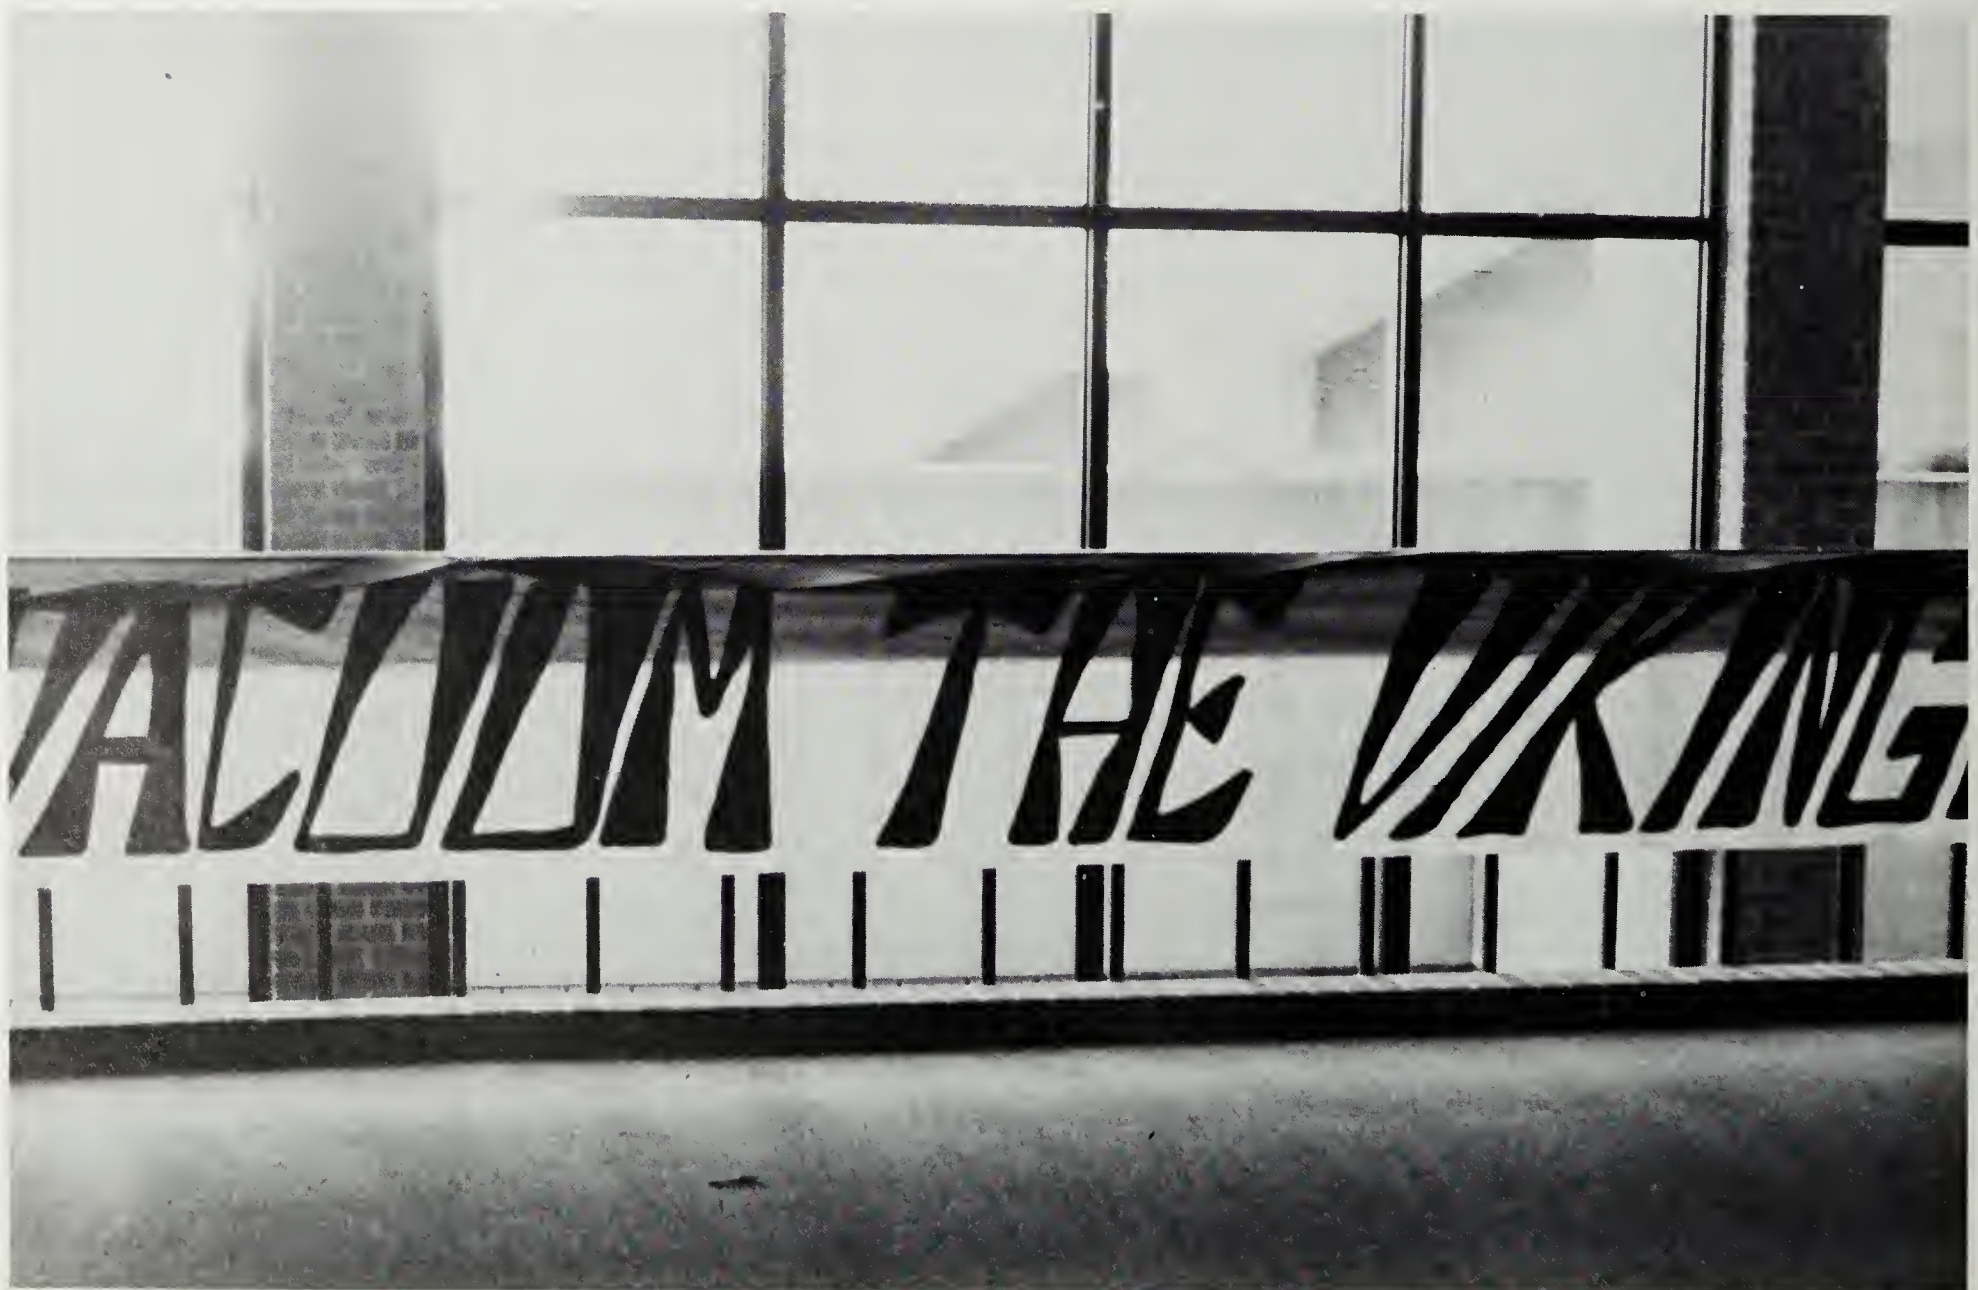

PLUS STRONG  
LOYALTIES  
THIS SEASON

All that remains of the Potomac effigy after the football players got a hold of it

Fauquier is just an Indian Echo.

Danny Geiger, Matt Brophy, Rod Mason, and Acie Shrewsbury devour the Potomac "dummy."

Seniors make the prediction which comes true — Woodbridge bites the dust.

This season was a season for rivalries. The traditional Gar-Field-Woodbridge rivalry was as strong as ever, with the spirit week preceeding the game being full of spirit and enthusiasm. Hallways were decorated, there was a pep rally, and the chain link competition between classes was held as a fund-raiser for the English department.

Another important game for the Gar-Field Varsity Football team was the Potomac-Gar-Field game. The game was an important one to both teams and there was much excitement and competitiveness at both schools.

Rivalries can be a fun part of any team's season and all teams need to have the support from their fellow students and teachers. Now there are two rivalries, the Gar-Field-Woodbridge rivalry, and the Gar-Field-Potomac rivalry. Despite the burdon of two rivalries, we all know that Gar-Field will always remain number 1! We can always rise to the challenge.

## THURSDAY NIGHT

The fun and celebration of homecoming weekend all begins on Thursday night with the traditional bonfire, which was preceded by a J.V. football victory over Woodbridge, 20-6.

Excitement and anticipation are on everybody's mind. The football team and coaches are hoping for a win, the girls are nervous about the crowning of the queen and the big dance, and everyone is looking forward to a great weekend.

Homecoming is a big part of high school and the memories are long-lasting.

The float competition was won by the seniors.

The game unfortunately, was lost to the district co-champion Fauquier Falcons by a score of 14-13 in the last few seconds. Despite the loss, the spirit and enthusiasm of the homecoming festivities was continued through to Saturday evening, the dance.

### SATURDAY NIGHT

The final night of the homecoming weekend is the night everyone has been waiting for.

Dates arrive at their girlfriends' houses with corsages in hand. Nervous girls pin their boutonnieres on their dates, parents madly take pictures, begging to let them take just one more picture before the happy couple goes off to a fancy restaurant for dinner.

Finally at the dance the king is crowned. The 1982 Homecoming King was also Mr. Gar-Field — Acie Shrewsbury. Princes were Jim Portell and Danny Geiger.

## SPIRIT, AN ASSET TO VICTORY

Spirit Week at Gar-Field is held the week before the Gar-Field-Woodbridge game. It is the time when students and teachers get to act wild and crazy and go all out. This year's spirit week was no exception. Each day during the week students wore something different. There was Preppy Day, Surf Shirt Day, Class Day, Jersey Day, and Red, White, and Blue day. Students did all this to boost spirits for the upcoming game.

On the day of the "Big Game" spirits were high and G-F was ready to crush Woodbridge.

This year the drama club did something no other club before them had done. This year the members dressed up for the day and sponsored a Halloween dance. For every student that came to the dance in a costume there was a ½ price admission to the play "THE MAN WHO CAME TO DINNER."

For one day the school was visited by ghost and goblins, devils, babies, and even a bag of jelly beans. Monsters walked the halls and kitty cats came to class. Gar-field looked more like a horror movie rather than a high school.

The day and the dance were a great success. Mr. Shepherd said that the new tradition would be continued in the next years to come.

# GAR-FIELD'S SPIRIT: ALL OUR OWN

Pam Jones is a classic example of Gar-Field's spirit.

Pat Brooks and Myles Watson show support for the senior class.

## THE ROAR OF THE CROWD, THE NEEDED SPARK!

Gar-Field students are proud of their school. The student body plays an important role in cheering the teams on to victory. It gives everyone a chance to participate and have a feeling of pride when the team wins.

Although the fans aren't out there on the field or court, their spirit can spark the team and get their spirits up.

The coaches appreciate the fans. They work long hard hours to produce fine athletes and the recognition the fans give them is a great reward. Students must never lose the willingness to support the school.

The Marching Band, Pep Club, teachers and students must realize that their growing spirit can spread confidence to the teams to go out and DEFEAT any team they face. The roar of the crowd can make a difference between victory and defeat.

Tippy, Ramona, and Daphne

Gar-field students have a spirit that is hard to match. G-F students are some of the most rowdie and fun loving people around. When pep rally time comes the whole school goes a little mad. Even the teachers get a little excited about the big game. G-F even has a contest to see what class has the most spirit. In all of the cheers and chants there is one theme "GAR-FIELD IS #1."

## AN EXCELLENT G-F PRODUCTION

This year's play was a great success. The play is about a famous radio man who goes to eat dinner at the Stanley's house. But before he goes in he slips and falls on a patch of ice outside the front door. He has to stay at the house for several weeks and proceeds to make everyone's life in the house miserable.

Even though Gar-Field has a serious reputation, it's not all work. We have our share of crazies. Sometimes you need to take a break from the grind. But don't worry, as long as you don't spend all day goofing off, it won't hurt a thing. Remember, "all work and no play makes Jack a dull boy!"

High school is full of many good times. Between worrying about tests, future plans, keeping our grades up, and impressing our teachers, there's still time to catch up on the latest gossip, make new friends, and line up dates!

Knowledge, what is it? Knowledge, according to Webster, is "the fact or condition of knowing," but it is more than that. Knowledge is one of the most precious possessions a person can have. It is something that, once gained, may never be taken away. Lack of knowledge is a terrible disadvantage, for without it there are no skills or abilities, and without these, there is no advancement and no civilization. Knowledge makes you equal to others and therefore is the key to freedom. Knowledge, when properly used, can lead to a successful and prosperous life. Students today are very fortunate to have education available through teachers and schools like Gar-Field. High school prepares us for a future by offering a wide selection of academic courses; Science, History, Mathematics, Art, Music, Foreign Language, and many others. Webster has another definition of knowledge; "what is known or learned through study of experience." Knowledge is a tool for tomorrow. Through Gar-Field, students accumulate through study and experience, a knowledge all our own.

# G-F

# ENGLISH

English is the largest academic department within the school and is the only subject required during all four years of high school. Various levels of the course are available at all grade levels and include Basic, Regular, and Enriched classes. Another course, Advanced Grammar and Composition, is available for seniors in preparation for college level English. During a four year period, grammar skills, composition, and literature are taught.

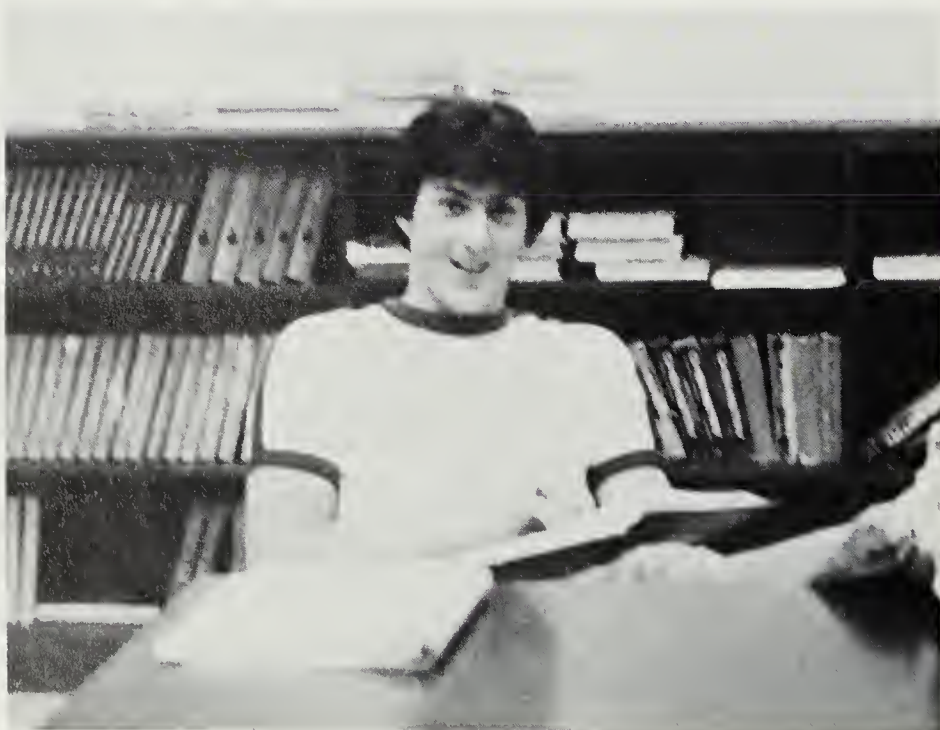

At some point during each year, students are exposed to a special literary selection such as Romeo and Juliet, Julius Caesar, and Beowulf. In their junior and senior years, students are required to write a term paper. The English Department includes classes in Journalism and sponsors the production of the school newspaper. It also contributes sponsors to such organizations as the Drama Club, Forensics, and the Literary Magazine.

# SOCIAL STUDIES

The Social Studies Department here at Gar-Field offers the students a full spectrum of classes. World Studies I deals mainly with the study of Western Civilization, from the caveman to WWII. American Studies I pertains to American History and current events. American Studies II involves studies of Virginian and American Government. It also covers Economics. Enriched varieties of these classes are also offered.

The Social Studies department also has electives to

choose from if you want to further your studies in that area. World Studies II is one of them. It entitles a closer look at the non-western cultures of the world. Another is Sociology. It involves the study of human behavior and the ways which they interact with each other. The Sociology class holds its annual wedding ceremony toward the end of each year.

Together these courses make up the Social Studies department and the world of history.

# COSMETOLOGY

Cosmetology is a three-year course which begins at tenth grade and continues on through the junior and senior years. In the spring of the freshman year, students are interviewed and tested for a genuine interest in this field. A minimum of 2000 hours is required to qualify to take the state license examination. A

variety of services, most related to hair care, are available. Chemical treatment of hair, shaping, and designing hair styles along with make-up analysis are other segments of the program.

This class is designed as training for students who wish to pursue this field professionally.

Home Ec. in action.

The Home Economics Department covers many aspects of home life including Food and Clothing Management, Single Living, Home Furnishings and Housing, Homemaking and Child Development. Each course deals with a different aspect of home life and prepares students for career possibilities. Food Management gives students experience in cooking techniques and skills, meal planning, kitchen management, and table service. Single Living deals with situations arising while living alone and looks at roommates, finances, food, and home care. Child development

studies all aspects of the growth and development of children. Home Furnishings and Housing is a study of housing types, construction, furnishings and selection of accessories. Clothing Management teaches students skills in basic sewing, knowledge of textiles and selection and care of fabrics. The Homemaking class provides instruction in food and clothing, engagement, wedding and money management. These courses help prepare students for future living, whether single or married.

The Math Department offers a variety of math courses at all levels. Algebra I and II, Geometry, Math Analysis, Advanced Algebra, Trigonometry, and Calculus, all are open to students with some restrictions on grade level and academic ability. For students with low mathematical aptitude General Math, Remedial Math, and a two-year Algebra I class are provided. Algebra I is an academic course utilizing the real number system. Geometry deals with logical geometric forms and proofs. Algebra II prepares students for more advanced mathematics and teaches basic properties of the complex number system. Math Analysis, Advanced Algebra, and Trigonometry deepen the student's understanding of trigonometry and review advanced algebra, respectively. Calculus is a highly advanced course dealing with advanced geometry, theory, and algebra. Three other classes are also offered to students; Advanced Senior Math which teaches students basic computer operation and mathematical application, Consumer Mathematics dealing with math on an everyday basis, and Remedial Math, which is primarily designed for those students which have not passed the Math competency examination. With the exception of General and Consumer Math, all classes are considered to be academic courses. The Math Department also sponsors Mu Alpha Theta, the math club, which is open to all interested students.

The Science Department offers a variety of courses ranging from physical to biological science. These courses include Earth Science, Biology, Chemistry, Physics and others. Earth Science teaches students about the physical world around us, while Biology deals with living organisms from the simplest to the most complex forms. Chemistry studies the chemical elements and their reactions with each other. Physics explores the relationships of Energy, Matter, and Motion. Other

classes, such as Advanced Biology and Advanced Chemistry, are available to students that are genuinely interested in the science field. A strong math background is required for most of these courses. Other features of the Science Department include the annual science fair, in which students may display their scientific knowledge, talent and creativity, and also the Science Club which is open to all students interested.

# ART

The Art department offers a wide variety of subjects to interested students. Every six weeks four different studios such as drawing, etching, fashion of jewelry, to name a few, are offered. A total of fourteen studios in all are available. First year students are encouraged to alternate every six weeks, while advanced students may take a studio in depth. Art is available from levels I through V and is open to all grades.

# MUSIC

The Music Department includes three main musical organizations in addition to several classes. Band, Choir, and Orchestra are subdivided into various levels of ability. The bands include Varsity, Concert, Symphonic, Beginning, and Stage Bands. Symphonic Band is available to exceptionally talented students by audition only. Stage Band is a more academically-oriented class which studies literature, history, and arrangement of popular music and is open to any interested advanced students.

Choir also makes up a large part of the Music Department and includes Mixed, Bass, Treble, and Concert Choirs. Concert Choir includes sight-reading skills, per-

forming experience and vocal quality and is open to students by audition only. The Dominants are open to a limited number of students through audition and teaches various performing techniques including staging, vocal quality, and choreography through extensive performing experience.

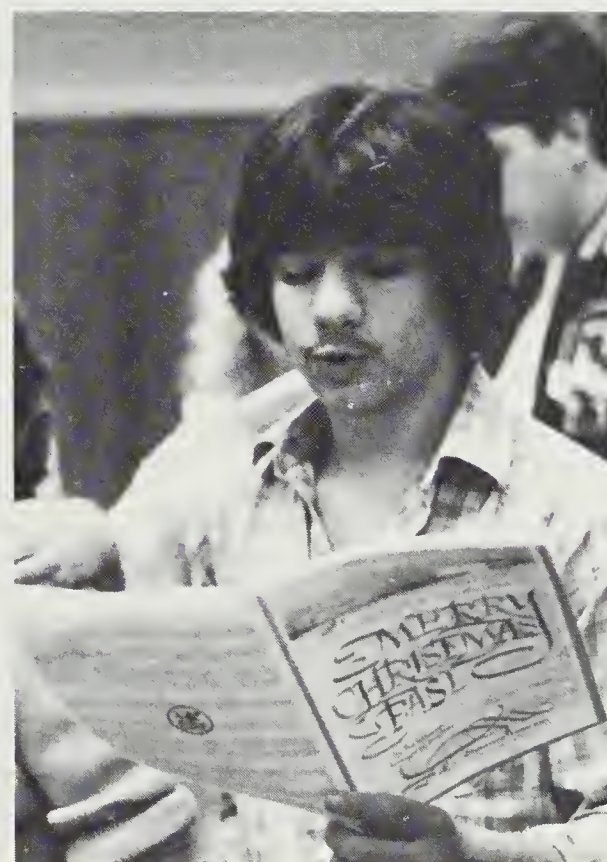

Other aspects include Orchestra, which is open to any student with previous orchestral experience. Piano, Theory I and II, are a few electives in the Orchestra department. Marching Band, an extra-curricular activity, is open to any students presently taking a band class.

The P.E. Department plays a major role in school academics and activities. The required courses of Health/Physical Education 9 and 10 teach students basic sports but also important knowledge about students' health and welfare. Also included in the course are annual health screenings instigated at the beginning of the year and fitness tests in which students may receive recognition for high achievement.

An individualized part of the P.E./Health program includes Driver's Education. At the completion of this course, a student is eligible for an operator's license at age sixteen.

Also available is Elective Physical Education for students who have completed P.E. 9 and 10 and wish to continue physical education. It is a semester course and includes no Health instruction.

The Foreign Language Department offers a variety of secondary languages including Spanish, French, German and Latin. English as a second language is available for foreign students. The study of a language not only includes the mastering of speech skills but deals with culture and geography of countries which speak that particular language. Academic levels range from basic to highly advanced; from one to five years of instruction are available. Each Foreign Language has its own club sponsored by one or more department teachers. Club activities include trips to foreign restaurants and the annual group trip to Europe.

# INDUSTRIAL ARTS AND I.C.T.

The industrial arts department consists of seven different courses specializing in a specific field. Manufacturing, Communications, Graphic Arts, Electricity, Mechanical Drawing, Construction, and Power and Transportation are all included. Many of these classes, such as Mechanical Drawing, which teaches students areas of orthographic projection, technical geometry and pictorial drawing are pre-requisites to more advanced vocational courses. Electricity, which exposes students to electronic components and their operation, is another example of a

prerequisite course. Other classes like Construction, dealing with basic concepts of house building such as wiring, surveying, and plumbing are simply for the benefit and knowledge of the student. Manufacturing shows students the concepts of manufacturing technology. Students use tools and apply skills to duplicate products. Areas include metals and woodworking along with plastic technology. Communications covers many aspects of this field including illustration, sketching, photography, television, radio and others. Students learn to use equipment in

these fields. Graphic Arts teaches students the use of printing equipment. Power and Transportation deals with the basic studies of power, assembly, breakdown of motors, and alternate power sources.

The Industrial Cooperative Training course instructs students for future occupations in trade, technology, industry, and health. Instruction ranges from in-classroom to on-the-job experience. I.C.T. is available only to eleventh and twelfth graders. I.C.T. II, a continuation of the course, is offered to seniors.

The Business Department provides a wide range of business training. The two preliminary business courses are Beginning Typing and General Business. In Beginning Typing you learn the keyboard and standard forms for typing reports, tables, and letters. General Business gives the student an understanding of the American business system and the role it plays. They also learn management of personal finances and career planning. After successful completion of Beginning Typing and General Business a student may choose either Clerk Typing I, Stenography I, Accounting I or Data Processing I. In Clerk Typing students learn such skills as filing, calculating, and duplicating. Emphasis is placed on improving typing skills and speed. Stenography covers these areas along with shorthand. Both classes are block periods. After taking either of these classes, students may choose to continue by taking the second level of these courses. Students may also apply for C.O.E. and if accepted receive on-the-job training and pay for their hours worked. Data Processing teaches programming for students who wish to progress further. Data Processing and Accounting II are also available. Other classes include Business Management, which teaches the aspects of running your own business and Personal Typing, a one semester course which teaches typing exclusively.

# L.P.N. AND D.E.

The Licensed Practical Nursing course is for students wishing to become registered nurses. The entire course runs a total of eighteen months. Preclinical instruction occurs during the first nine months . . . The second nine months begins the July following graduation. Preclinical experience is obtained in the classroom for the first three periods of each day. Supervised clinical practice begins in July after completion of the first year and students must work 40 hours a week with part of that time devoted to formal instruction. Students who complete both phases of the course may apply to the Va. State Board of Nursing for permission to take the examination for a license to practice.

The Distributive Education Department is designed to teach students marketing techniques and includes classes such as Fundamentals of Marketing, Marketing, Advanced Marketing, and Fashion Merchandising. Fundamentals of Marketing help students develop mathematical, social, communicative, and other skills needed for job entry in sales and marketing. In Marketing, students combine on-the-job training and classroom instruction. Advanced Marketing continues the program on a managerial level and improves the student's marketing skills. Fashion Merchandising is a course for interested students that have a career objective in apparel.

# G-F

Number who? Number 1!!

## A WINNING TRADITION

Gar-field Indians. They fit together like a good team should. To be a Gar-field Indian takes pride, support, spirit, and dedication. It means giving more of yourself than you even knew you had to give. It means carrying the red, white, and blue above all obstacles, challenges, and opponents to become a champion. This feeling, this spirit, is what has driven G-F into setting a winning tradition.

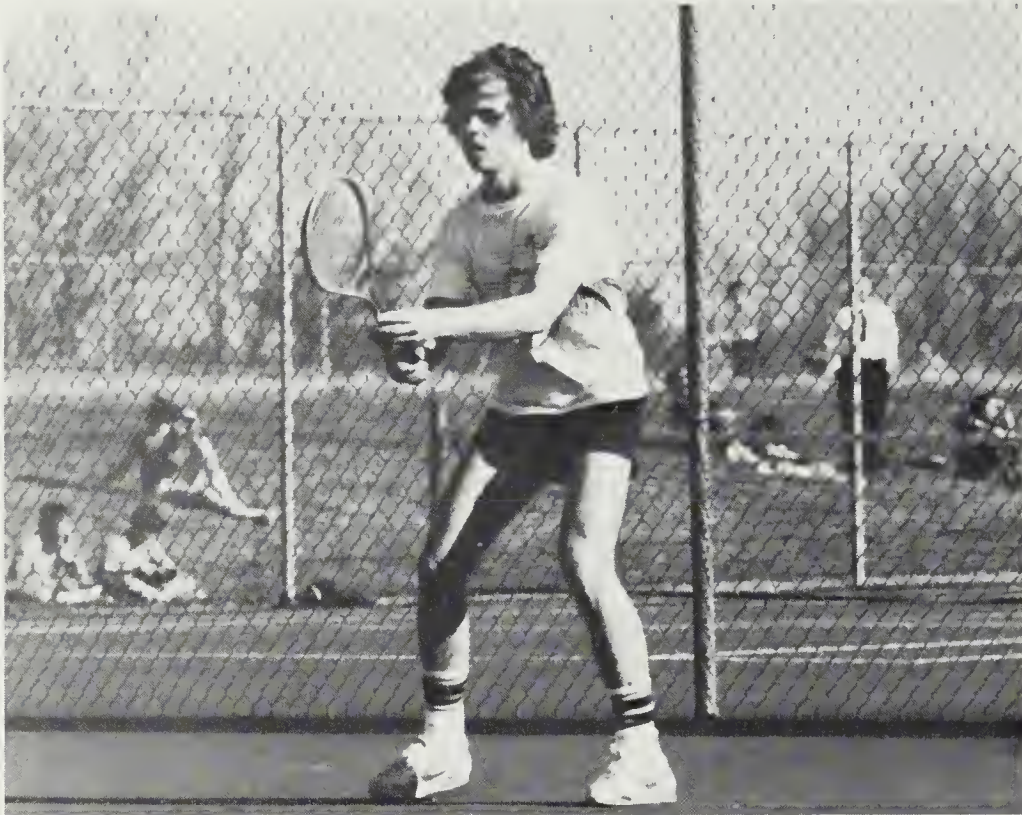

No other school in this area has been able to achieve such heights as Gar-field has. What other school can boast about holding over 48 district championships, over 21 regional championships, or 7 state titles? The answer is none. Gar-field and its Indians have triumphed in the past, and 1983 continued the tradition, the winning tradition.

Just half of G-F's District, Regional, and State banners.

## A SYMBOL OF OUR SPIRIT

**SYMBOL.** (sím'bŭl) 1. a visible sign of something invisible; as an idea, quality, or feeling.

Symbolism in Gar-field is a unique and special thing. Everywhere in the school, students and athletes alike are surrounded by Indian paraphernalia and slogans. This idea, this feeling, is so apparent and domineering that it can't but help to instill the G-F pride in all of us.

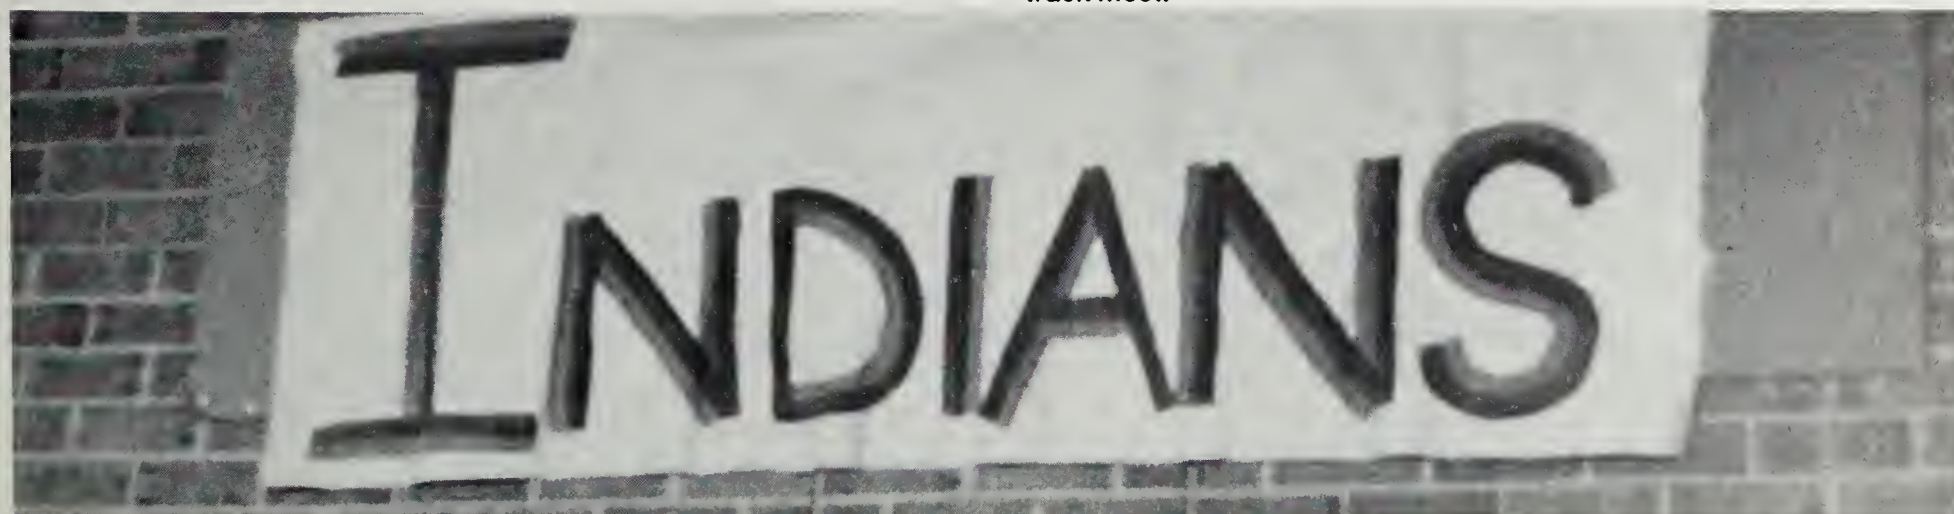

Everywhere throughout our school these symbols can be found. From the Indian posters painted by dedicated cheerleaders to G-F items such as gym bags, baseball hats and t-shirts, to the huge INDIAN lettering in the press box of Ralph L. Barnett Memorial Stadium.

G-F's symbols represent many things to the students and athletes. To the students it is a way to demonstrate their support and pride of the athletes and of Gar-field. To the athlete it shows that someone cares.

Symbol. No matter what dictionary is consulted on the subject, the definition is clear: in all our own ways, we are telling the world that Gar-field Indians are the best. We don't need a dictionary to spell that out for us.

The 1982 Varsity Boys Soccer Team went through a major rebuilding year as they lost many seniors from the 1981 Regional Championship Team. This year's MVP, Shawn Carson, was chosen for his team leadership, spirit, and scoring ability (7 goals, 2 assists) and who enabled the team to have an overall record of 6-5-1 on the season and placed them 4th in the Commonwealth District.

The team consisted of only a few seniors, but plenty of underclassmen, including key freshman player Steve Grover. The few seniors, including John Litwin, Chip Henry, Jim Brown, Mike Beach, Shawn Carson, and Mark Szklennik, proved to be the dominating force on the squad. The team played well, and hopes to have a better season in 1983.

The Girls Varsity Soccer Team had a strong and productive season in 1982, as they finished 9-3 overall in the Commonwealth District.

Led by co-captain and MVP Cathy Cox, the team played exceptionally well by outscoring their opponents by an average of 6-1. Cathy was chosen MVP for team leadership and outstanding scoring ability. She had 23 goals for the season, which enabled her to be 1st in the district in scoring. This was the second year in a row that Cathy was picked to be on the All-District 1st team. Cathy was also chosen to be the All-District MVP.

Coach Vadeboncoeur commented that the team worked well together, showed a lot of team spirit and unity. And most of all, were really fun to work with.

## "DISTRICT CHAMPS"

With the state's most powerful one/two combination of seniors Kip Leathers (7-0), and Ken Pope (7-0), the Boy's Tennis Team breezed through regular season with an unblemished district slate of 6-0. To add depth to the G-F attack were seniors Jimmy Barnhart, #3 seed, (7-0); John Hineline, #4 seed, (3-4); Mike Gillette, #5 seed, (6-1); and Buddy Frye, #6 seed, (3-4).

Kip Leathers, a four year letterman was named team MVP. Kip was undefeated in regular season singles as well as being district runner-up at #1 seed singles. The combination of the top seniors' excellent play allowed the team to compile a 24-1 win/loss record for the past 4 years.

The Girl's Junior Varsity Softball Team showed a lot of talent in 1982. The team was very young, starting all freshmen with the exception of three sophomores. The season started slow but finished strong as they won their last 5 out of 6 games. The Indians really showed their strength when they handed Potomac, the district champs, their only two losses.

The team had many outstanding players. The winning pitcher for G-F was Janice Majeski, a freshman. Patty Conlan, Denise Long, and Lisa Stiles were the offensive strength as they proved to be the outstanding hitters. The defense was led by Diane Hicks and Brenda Scharp. Leading base stealer was April Eberly. With the help of these fine athletes and coaching from Ms. Baggett, the team finished 7-4 overall, and thus placed high as 3rd in the Commonwealth District.

"Keep your eye on the ball . . . full stroke now . . . follow through . . . look at it go!"

The 1982 Boys Golf Team had many surprising events come their way this year. The team had a good overall season, finishing 4-3 in the district. They did especially well during the District Tournament, when the boys pulled together to upset Stonewall Jackson and James Wood to place second in the Commonwealth District. The team then qualified for regional play at Charlottesville. The team placed 5th overall. The low medalist at regionals was Eddie Maloney, who shot his season's best score with an 81.

The season's MVP was Keith Bjorklund. Over the past 4 years at G-F, Keith has attained an average stroke of 78. He will attend James Madison University to continue his excellent career.

Coach Chris Courtney was pleased with the team's performance and wishes good luck to all the boys in the future.

#### Commonwealth District Champs Northwest Regional Champs

The 1982 Girl's Outdoor Track Team continued to carry the Gar-field track tradition of superior performance. The girls were undefeated in their dual meets with district competition and continued to finish high in their invitational and relay meets. The team had many outstanding athletes, all of whom showed great heart and pride as they broke record after record. The hardworking team literally raced by their competition to give them the District and Regional championships. The team, coached by Miss Brown, has an excellent record in district and regional competitions. Since the VHSL started the competitions for girls in 1972, G-F has captured 9 out of the 10 district and regional crowns.

Along with fine coaching from Miss Brown, the team was led by MVP, senior Denise Klugh. Denise threw the shot put and discus. She was a highly consistent scorer for the Indians since coming to G-F in her sophomore year. Denise placed first in both events at the district meet in 1982. At regionals, she took first place in discus and third place in shot. Finally at the state meet, she took fourth place in shot. The team was very proud of her.

The 1982 Boy's Outdoor Track Team had an outstanding season. They won all of their district dual meets except one 3 point loss to James Wood. The boys team also had an exceptional relay and invitational meet record. They swept the Stafford Relays and Albermarle Invitational, as well as taking a close second place in the Newport News Relays.

At the Commonwealth District meet, held at Fauquier, the boys crushed the competition. Second place in the district was Stonewall Jackson, trailing by an almost unbelievable 115 points. At the Northwest Regional meet, held at the University of Virginia, the Indians took second place to E.C. Glass by just 1 point.

Finally, when the Virginia AAA State Meet was held the following week at UVA, Garfield brought it all together to take a dramatic first place over defending state champions Menchville of Tidewater. G-F won the meet by 1 point. Congratulations to our Indians.

The 1982 Boys Track Team not only had a great coach but outstanding athletes as well. The Most Valuable Player award went to Brian Banks. Selected as Outstanding Athlete and Most Improved Player were Dave Guterrez and Doug Boik respectively. Dave had the highest amount of points for any member of the team all season. Brian Banks and Dave Guterrez were also selected as All-American High School Track Athletes. The Virginia AAA State team was comprised of: Brian Banks, Dave Guterrez, Ervin Hannah, Mike Drury, Doug Boik, Lynwood Lovelace, and Joe Miller. Congratulations to the entire winning team for bringing home to Garfield a state championship, and more importantly, PRIDE.

## GAR-FIELD FANS: A RARE BREED

Try to imagine for a moment, if you will, a football game without fans. Imagine the quiet, empty stands void of life. Imagine half-time without a band and talented girls in flashy uniforms, waving their flags, rifles, and batons. Imagine it. What's a football game without these? Just a game you may say. Two teams of young men hitting, passing, and running against each other. Both fighting. But for what? Without the support of the students, band, and drill teams, there just doesn't seem to be much point in playing at all.

Gar-field fans are notorious for supporting their teams to the fullest extent. At freshman and junior varsity games, loyal students and older varsity players attend to give support to these young red, white, and blue teams. This year's fans showed more support and pride than any other group has in past G-F memory. It is easy to support a winning team; but when a team isn't constant winners, they need to know that someone is there to stick with them, through thick and thin.

1982's fans have become personally attached to this year's teams. They travelled to all away games, whether it be a stone's throw to Woodbridge, or a night's trip to Winchester. They took all wins and losses personally. Tears of disappointment stung their eyes in bitter losses, yet, those same tears turned to joy when the team came up with fantastic wins.

Gar-field fans are a tough breed, indeed. Whether they show their spirit through playing their hearts out in the band; or doing precision-timed routines in bitter cold weather; or jumping on the track, leading the crowd in enthusiastic cheers; or just simply buying a ticket and yelling in the stands. Whatever the method, G-F fans are there. By the looks of this year's spirit and support, this tradition will carry on through Indian hearts for many years to come.

Support from the upperclassmen boosted the young teams. Fall Sports 105

The 1982 Girls Tennis team had a crushing season as usual. The team, under the superb guidance of Coach White, swept the district, finishing with an unblemished, undefeated 12-0 record. This completes 30 straight wins in Commonwealth District matches. They have now beaten rival Woodbridge three straight years in a row. After winning the district title, the girls were handed a disappointing blow, however, by being beaten in the first round of regional play.

The team was led by several outstanding players including MVP Lisa Cope. Lisa, G-F's #1 seed, won the singles district title. Lisa, along with Vivian Ruiz, placed second in the district doubles competition.

## VARSITY, J.V., AND FROSH TEAMS SPIKE IT ALL

The Varsity victory score over Osbourn Park.

1982's volleyball teams went through some rough times over the season. The varsity team began the season with only two returning players from last year's squad, including Michele Taylor and Debbie Peschka. To add to the team's dilemma, only nine girls were on the team. "A definite rebuilding year," was how Coach Jones described it. The girls, however, stuck it out through the season to finish 3-7 overall, including two wins over rival Woodbridge. The varsity team's MVP was Stephanie Royer, who was also chosen to be on the **Potomac News'** all-district second team.

The J.V.'s season was a little more productive as the 10 girls evened their record at 5-5. The team split a win and a loss against every opponent.

The frosh team had a tough season but gained experience along the way, as they finished 0-4.

## **GAR-FIELD INDIANS VARSITY FOOTBALL RECORD**

### **OVERALL: 6-4**

#### **Game 1: August 26, 1982**

Robinson 10     *Gar-field 13*

In the first game of the season, G-F handed the visiting Rams a loss as quarterback Acie Shrewsbury completed a 95-yard drive to Howard Houston on a 19-yard pass with 1:12 remaining in the 4th quarter. Dwayne Parker scored this year's first TD on a 2-yard run in the first quarter.

#### **Game 2: September 3, 1982**

McNamara 7     *Gar-field 12*

Running back Dwayne Parker rushed for 85 yards and two touchdown runs of 1 and 2 yards respectively. Acie Shrewsbury contributed with 69 yards rushing. G-F achieved its highest ranking in the Washington Post Poll this week at Number 3.

#### **Game 3: September 17, 1982**

*North Stafford 19*     *Gar-field 13*

Gar-field lost its first regular season game since 1980, breaking the 15-game winning streak this week in its first district game at North Stafford. Kent Dulaney had a 23 yard touchdown run while Mike Drury scored on a 26-yard Shrewsbury pass.

#### **Game 4: September 24, 1982**

*Stafford 6*     *Gar-field 28*

Kent Dulaney carried 4 times for 113 yards and 2 scores as G-F gained 294 yards rushing, including a 33-yard run by Zadock Futrell and a 54-yard Shrewsbury run. This win over District foe Stafford placed G-F 6th in the Post Poll.

#### **Game 5: October 1, 1982**

*West Springfield 7*     *Gar-field 0*

In front of the Spartan's Homecoming crowd on a drizzling night, a fumble recovered by West Springfield was the only score of the night, shutting out G-F with 5:13 left in the first half.

#### **Game 6: October 8, 1982**

*Stonewall Jackson 7*     *Gar-field 14*

Steve Mooney scored with a 6-yard run in the first quarter. This was followed by a Dwayne Parker score with the go-ahead touchdown on a 1-yard run with 2 minutes remaining in the third quarter to beat the Raiders in Manassas.

#### **Game 7: October 15, 1982**

*James Wood 0*     *Gar-field 28*

Kent Dulaney scored twice on runs of 13 and 33 yards, while Dwayne Parker rushed for 149 yards and a 6-yard TD run. Chuck Boyer also added 6 points on a 5-yard run. Place kicker Mike Finalayson added all 4 extra points to complete the shutout over the Colonels on a rainy night in Winchester.

#### **Game 8: October 22, 1982**

*Potomac 12*     *Gar-field 7*

In one of the most heated games of the season, the Panthers stopped the Indians 2 yards short of victory with a first and goal on the 4 yard line with 44 seconds left in the game. Parker scored the only TD for G-F on a 17-yard run in the first quarter. G-F dropped out of the Post Poll this week finally ranked at 16th.

#### **Game 9: October 29, 1982**

*Fauquier 14*     *Gar-field 13*

In the Homecoming game, the tables were turned as G-F's defense had their backs to the goal. The District Co-Champion Falcons broke through, however, to beat the Indians by 1 point. G-F's scores came by a 46-yard pass from Chuck Boyer (substituting in for injured Shrewsbury) to Mike Drury. Eric "the Weasel" Brockman topped off the score with a 79-yard TD run in the 3rd quarter.

#### **Game 10: November 5, 1982**

*Woodbridge 0*     *Gar-field 7*

G-F shut out the Vikings for the 3rd consecutive year, in what was to be THE GAME of the season. Gordon Jenkins 36-yard fumble return was the only score in a defensive struggle that gave G-F back its pride, by retiring the Herb Saunders trophy to Gar-Field forever.

One picture is worth a thousand words . . .

And who might that happy Injun be? Gordon Jenkins of course!

The thousands of ecstatic and elated G-F fans. Nothing feels quite like a sweet victory.

## YEAR OF THE TROPHY

After suffering two close losses in a row, the 1982 Varsity Football team was a little discouraged as they entered the final week of football. However, the last game of the season is no ordinary event at G-F. No, it is Woodbridge week, and that's when The Spirit runs through every Indian. Throughout "spirit week," the players were shown in various ways that the entire school was behind them.

The game itself was an emotional one: this would be the last game that the seniors would play in together; and G-F had a 5-4 record going into the game, a loss would mean a .500 season. These factors were important, but not as important as winning The Trophy. The Herb Saunders Trophy has been passed between G-F and WB for many years now. Three consecutive wins by one school would retire the trophy. Indian victories in '80 and '81 set up for the showdown this year.

The G-F fans turned out, literally, by the thousands to cheer the Mighty Indians on. And then IT happened . . . . . Lineman Andre Stokes makes a tough hit on WB's back, the ball slips loose and bounces right into the hands of Defensive back Gordon Jenkins . . . Gordon runs the ball 36 yards for the only score in the defensive dominating game. Gar-field wins the Trophy and it comes home to Indian Country where it will stay — forever.

No, this team didn't go 10-0 like last year's star-studded team did. 1982's team was just that — a team, with high emotions, great determination, and most of all, by winning the trophy, they proved that they too had the ability to carry on the winning tradition in their own special way.

## BEHIND THE SCENES

Most of us are quite familiar with the types of sports at G-F and what goes on during the games. But what goes on off the court, wrestling mats, balance beams and track? What's life like in the locker room for the athletes, or for that matter, in the stands for the fans?

Most of us consider the lighter side of attending sporting events: socializing. Sure, a game can be an ideal event to see or meet that certain someone. We've all been guilty of that charge at one time or another. But have any of us stopped to ever think about what the athletes go through?

Inside the locker room, a nervous tension fills the air. Silence falls and butterflies hit the athletes. Some athletes are so confident and self-assured that they claim they are never nervous or fidgety. Don't believe them. If an athlete wasn't a little hyped up over their upcoming confrontation they would never cut it. The adrenalin would not flow, and the desire to win would be lost. "Getting up" for a game is more important than most of us realize. Pep rallies aren't held just to see which class is the rowdiest. They serve the purpose of showing the athletes that the fans are behind them 100%, and that they want to win just as badly as the athletes do.

This feeling and support is naturally more crucial to some sports than others. Gymnasts, for example, need silence to concentrate. But a roaring crowd can have so much of an effect on a basketball team or on a wrestler that they could decide the difference between a victory or a defeat.

So the next time you're sitting with your friends or that someone special in the stands, give a little shout. Show you care. If you don't believe this, ask a coach, or better yet, ask an athlete.

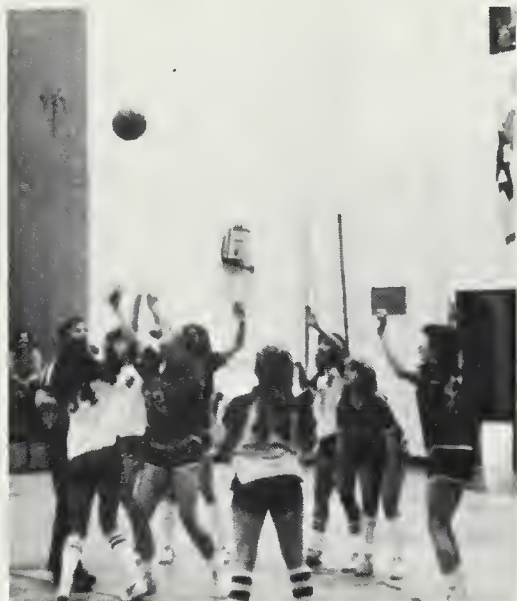

Bruce Simpson "kicks-back" before he has to wrestle.

## YOUNG DRIBBLERS

The Frosh girls fight for possession.

The 1983 Boys and Girls Freshman Basketball teams both enjoyed successful seasons this year. The girls team finished the season in first place in the district with a 9-1 record. All-around team play and effort from all the players was attributed to the success. An excellent defense was also responsible as the girls held their opponents to an average of less than 19 points per game. The girls were led by leading scorers Wendy Tiller and Tracy May, with defensive strength in the form of GiGi Gunn and Dawn McCullough. The high rebounders were Tracey May and Linda Clore.

The boys team had a little bit tougher season than the girls did, as they finished with a .500 season at 5-5. They did have good strength at key positions, however, as they out shot their competition by 2.3 points per game.

TALENT AND HARD  
WORK PAY OFF

The 1983 Boys and Girls Junior Varsity Basketball teams had very successful seasons this year. The boys team finished the year with a 13-4 overall record, while taking the district championship with a 12-1 district record. The team was led by Bobby Peters and Todd Motley. The girls team also swept the district by attaining a 10-2 district record and finishing 11-3 overall. The girls were led by Denise Long, Trina Hedrick, and Lisa Johnston. As Coach Jones aptly put it: "It was a successful season which saw all of the players gain knowledge and skill in the game."

# GIRLS VARSITY BASKETBALL

**Row 1:** Debbie Eicher, Terri Kasik, Gus Simpson, Sheryl Bryant, Karen Putnam. **Row 2:** Coach Gill, Stacy Keller, Bonnie Walker, Pam Sullivan, Michele Taylor, Janice Majeski.

The 1983 Girls Varsity Basketball team at first appeared to be faced with the all dreaded "re-building season." But with good coaching, a lot of determination, and a little bit of luck, this team surprised quite a few unsuspecting opponents. They finished 13-9 overall, but more importantly, they held an 8-4 district record. The girls reached their peak at the end of the season as they won their last 8 out of 9 games. Furthermore, the team played well enough to take home the Commonwealth District championship in the district tournament. Thus giving the team another berth in the Northwest Regional playoffs. G. W. of Danville disappointingly beat the Indians in the first round of regional play, however. The girls had a terrific season though and should be very proud.

Forget the rebound Woodson, that's two points for Gar-field!

**Row 1:** Richard Spasoff, Derrick Penny, Bobby Doyle, James Leake, Bobby Burton, Perry Mullins. **Row 2:** Eric Brockman, Rick Nibblins, Melvin Smith, Bill Wendle, Rob Willet, David Freeman, Kirby Smith, Joe Tucker.

The 1983 Boys Varsity Basketball team improved over last year's team in many respects. The overall record was the first winning record in 3 years. The team had a mixture of exceptional teamplay blended with budding individual talent. Although they were a young team, they matured quickly and soon became very competitive. This year laid the ground work for what appears to be the start of a great new program at G-F. The team was led by all-district first team players Melvin Smith and Kirby Smith. Senior Perry Mullins was also named as honorable mention all-district.

The 1983 Gymnastics team had a rough time rebuilding after the loss of many seniors. The team was plagued with many injuries, but even these setbacks did not stop the girls. They stuck together as a team and with a lot of spirit and hard work they made it through the season.

This year's MVP was Dena Collier. Dena placed fifth in the vault at the district meet which enabled her to advance to the regional meet.

"Champions again" is an appropriate title for the 1983 Girls Indoor Track team. The girls again swept the Commonwealth District and Northwest Regional meets to capture the championships at both AAA meets. At the Virginia State meet, the girls placed fourth overall. High jumper Rhonda Gainor leaped the highest in the state to take home the state championship in her event. Middle distance runner, senior Amy Martin was awarded the Most Valuable Runner Award for her efforts and triumphs over her years spent running for G-F.

Irvin Hannah leads the pack.

The 1983 Boys Indoor Track team was no surprise this year as they too ran all over their competition. The team easily won the Commonwealth District meet and then went on to place third at the Northwest Regional meet. At the Virginia AAA State meet the boys were led by Roger Bennett to take sixth place overall. Roger won the triple jump event with a new state record leap. Also leading the team was this year's MVP Pat Mann, chosen for his abilities and leadership on the team.

Many freshmen and sophomores made up this year's 1983 J.V. Wrestling team. The frosh grapplers proved to be the district's best, with 10 wrestling both on J.V. and Varsity levels. This leaves a great amount of optimism for future champion teams for Gar-Field.

Chris Varner at the Christmas Tournament.

After the devastating loss of nine seniors from last year's District and Regional championship team, the 1983 Varsity Wrestling team did not at first look too hopeful. But with the use of many talented underclassmen, the team surprised many opponents to become a first-rate contender. Led by the outstanding wrestling of co-capt., 119-lb., junior, Chuck Toler, the team moved along with swift maturity. Chuck culminated his great season with a record of 28-4 and placed third in the state meet. The team's highlight of the season, however, was in an upset victory over rival Woodbridge, 30-26, in a regular season dual meet.

How many times have you been interrupted while watching "Leave it to Beaver", only to witness a foot that can't split a watermelon? Advertising is becoming so prominent and domineering in our society that it has become unavoidable. Even respected professions can be heard pushing their services: "Divorce? No problem! Only \$450.00 at Bill Schmucks and Associates!" "Reason number 171 to get your income taxes filed by H&R Block,"; and many others.

However, ads are a very important part of the free enterprise system. They often help to lower many publication's costs, as we attempted to point out in our mock ad. This year, we, the staff of Indian Echoes, have raised more money from ads from local businesses than any other book's staff thus far. Because of our fine local businesses' support, we were able to put out one of the best yearbooks G-F has ever seen. We are very proud of it, and hope that you will be too!

## Organizations

Gar-Field is comprised of many groups and organizations. A student can belong to any number of clubs if he/she so wishes. Each club works toward a certain purpose, such as making money or helping others. When a student joins a certain club, he/she becomes part of a family. Take Drama for example. The people become closely knit together due to the trials and tribulations of putting together a play. The member of this club becomes part of a special family, the Drama Family.

Such it is with every club. Students are continually pushed together with the other members of their club and soon become good friends. It is a special family that the student becomes a member of. They meet their new friends and sometimes continue to correspond throughout the rest of their lives.

Clubs bring people together and the people give the club a name. They are the reason for the club existing, and without the students support the clubs of Gar-Field would no longer exist.

G-F Club members show what they do best: mutilate.

Reading and learning lines is all part of the Drama Club.

# CHEERLEADERS

## THE SPIRIT OF GAR-FIELD

### Gar-Field Cheerleaders

This year the Gar-Field Cheerleaders have a total of thirty-three members, ten on the freshman squad, twelve on the junior varsity and eleven on the varsity squad. The purpose of the cheerleaders is to support all school activities, academic as well as athletic, and to promote school spirit among the students. Throughout the year the cheerleaders sold ribbons, buttons and pom poms to support various activities. Cheerleading is a year round activity and involves much hard work and time.

This year the team captains are Kristie Sholar and Nancy Snyder (freshman), Kristin Newman and Meg Nicholas (junior varsity) and Lynn Corman, Stephanie Johnson and Sherry McCarthy (varsity). Sponsors are Mrs. Wolfe (freshman), Miss Baggett (junior varsity) and Mrs. Frostman (varsity) along with Miss O'Connor as the overall sponsor this year.

**Varsity Cheerleaders:** Row 1: Ms. Frostman, Carol Coloma, Margie Mitchell, Lynn Corman, Sherry McCarthy, Angie Drummond, Somer Sloan. Row 2: Kim Dean, Denise Jones, Stephanie Johnson, Kim Sholar, Shandra Metcalf.

**Junior Varsity Cheerleaders:** Row 1: Sasha Bridges, Cheryl Hardy, Christen Newman, Cena Litton, Holly Heininger, Angie Jordan. Row 2: Diana Hicks, Kari Hoffmann, Stacey Astrin, Emmie Hamaka, Meg Nicholas.

**Freshman Cheerleaders:** Row 1: Rhonda Mead, Kristi Scholar, Lisa Bloxton, Susan Einsmann, Brenda Eddleshack. Row 2: Dana Rogers, Kris Fullum, Wendy Townsend, Nancy Snyder, Judy Grow.

This year's Flag Corps was a great sight to see. With only 4 returning girls from the previous year, this year's Flag team practiced hard and succeeded well in performing for the crowds. This year's Corps was led by their captain Jane Melhorn and co-captains Carole Tamony and Kim McLeod.

The Corps started this year with a performance at the 4th of July parade where they placed 2nd in both drill and marching competitions.

The girls of this year's Corps would like to thank their sponsors Mrs. Gruber and Mrs. Parker for all their help.

## RIFLES

Rifles is a precision drill team performing various routines with a rifle. This definition comes from Rifle sponsor, Mrs. Dodge. Rifles perform at the half-time of football and basketball games and at Pep Rallies. To be a member of the Rifles, one must go out for try-outs held each spring. The try-outs consist of spins, routines, and aerals.

# MARCHING BAND

Gar-Field High School Marching Band

Drum Major Bart Bodée

Mr. Jones

## BRING IN THE BAND

"That was the best performance I've seen from this band in a long time!" yelled Gar-Field's Music Director, Mr. Ed Jones, after this year's closing football game at Woodbridge High School. Needless to say, the 1982 Gar-Field Fighting Indians Marching Band and Halftime Revue was very successful in entertaining at Pep Rallies and during halftime. The intricate marching drills performed with gusto at the football games were created and taught to the Band by its director Ed Jones, with much assistance from his talented Assistant, Mr. Don Carnohan. Leadership and Band Spirit were provided by this year's one and only Drum Major, Bart Boodee.

Sometimes faced by harsh weather, muddy sidelines and dented instruments, the Band stuck in there creating that special atmosphere that only the Band can create. Not always in uniform, but always in spirit, the dedicated band members followed the team to away games with high hopes of cheering their team on to victory. Always driving

Stand up straight now!

Marching to their own music . . .

themselves for that last bit of energy to make the Band stronger, always caring, trying and working; the Band gave it their all.

From the freshmen who made up over half of the Band to the outstanding section leaders that led the ranks, to the courageous parents that manned the popcorn booth, to the G-F alumni and Band supporters.

Gar-Field's Marching Band had a special togetherness that is the key to having a great organization! This school had something to be proud of . . . The Band.

Up in the stands: cheering the team on to victory.

Gar-Field's Senior Class of '83 is the first ever to be made up only of students from the Dale City area. With about 610 Seniors, this class shares a special closeness.

Leading the Class of '83 as Freshmen were Marcus Lawrence (Pres.), Linda Saunders (Vice-Pres.), and Pat Brooks (Sec./Treas.).

Sophomore officers were Mike Gillette (Pres.), Becky Sandidge (Vice-Pres.), and Susan Hill (Sec./Treas.). These students helped the 10th grade class put on a successful Sophomore Beauty Pageant.

In our Junior year, Sara Braun (Pres.), Tom Beames (Vice-Pres.), and Susan (Sec./Treas.), led the class in even more responsibility. Last year the class gave an excellent Junior Variety Show and Junior/Senior Prom.

This year Susan Hill moved up to become our president, Myles Watson took over as Vice-Pres., and Daphne Coerse serves as Sec./Treas. The Seniors took first place in the float competition at the Homecoming game, where Michelle Yacobi was crowned Homecoming Queen, and Acie Shrewsbury crowned King the following night.

Gar-Field's Seniors have always set a fine example for others and this class hasn't broken the tradition. Best of luck to the Class with class, '83!

# MR. AND MS. GAR-FIELD

Acie Shrewsbury was chosen by the Class of '83 to be this year's "Mr. Gar-Field." Acie has contributed much to the Senior class over the years. He has proven to be one of the outstanding forces on 3 separate athletic teams. Acie showed his talents in basketball, baseball, and football. In baseball, Acie lettered in his Junior year playing third base and centerfield. Acie also lettered in his Junior year by quarterbacking on the Varsity Football team. He has compiled many awards in his sports carrer, among these are Most Valuable Offensive Player, and honorable mention awards for the all-district and all-Potomac News teams for his super season in football this year.

He is in the G-F Club this year, and was in the Ski Club in his Sophomore year. Acie was crowned this year as the second Homecoming King to reign at G-F.

Acie's goals for the future are to be successful and earn lots of money.

The Class of '83 is proud to have Acie represent them, and wishes him all the best in his future.

Earning the title of "Ms. Gar-Field" this year is Susan Hill. Susan has been a real leader these past four years and has contributed much to the class of '83. She was Secretary/Treasurer in her Sophomore and Junior years, Senior class President, and a Teen Counselor for two years.

Susan's merits include winning the Century III leadership program, being a homecoming princess for two years, and participating in the Sophomore Beauty Pageant and winning third runner-up in her Junior year. Susan was also voted most valuable staffer on **the hyphen** newspaper staff. She was news editor in her Junior year and co-editor-in-chief in her Senior year.

Susan is also a winner in academics. She has been in the SIGNET program for all four years at Gar-Field and is the President of the National Honor Society.

Susan's plans are to go to U.Va. and pursue her career interest in political science or education. Susan Hill has truly earned the title of Ms. Gar-Field.

The Junior year is the time that most students look forward to. It is when they start being considered upper classmen. It is also a time to raise money for the most important event that year, the Junior-Senior Prom. Another important event that occurs is when they receive their rings. Everyone looks forward to this day with enthusiasm.

This year's Junior Class has proven to be very spirited. They beat out the Senior Class in Spirit Hall, proving that Juniors rule. Time after time they've shown their spirit, and just think, there's still next year!

The Sophomore Class of 1982-83 has proven exceptionally spirited this year. For the first year a Spirit links contest was held, the sophomores won, showing that they've got spirit too. This year they will put on the Sophomore beauty pageant and begin earning money for next year's prom. At the end of the year, they order their rings, which is one of the highlights of the Sophomore year. With everything that they've accomplished this year, it's easy to see that they are going to be a great Junior Class.

The Freshman year is a year of discovery. Students find out that at one time (Middle School) they were "big-shots," and suddenly they are only freshmen. The school appears gigantic, and the atmosphere unfamiliar. This is what most every freshman class goes through, but after the first couple of days of high school, they realize that it really isn't so bad.

This year's freshman class has been extremely spirited for their first year here at G-F. They have shown a lot of school spirit, and it is apparent, that they are going to make a great Sophomore Class.

# FACULTY

## THEY DO MORE THAN TEACH THE CHILDREN

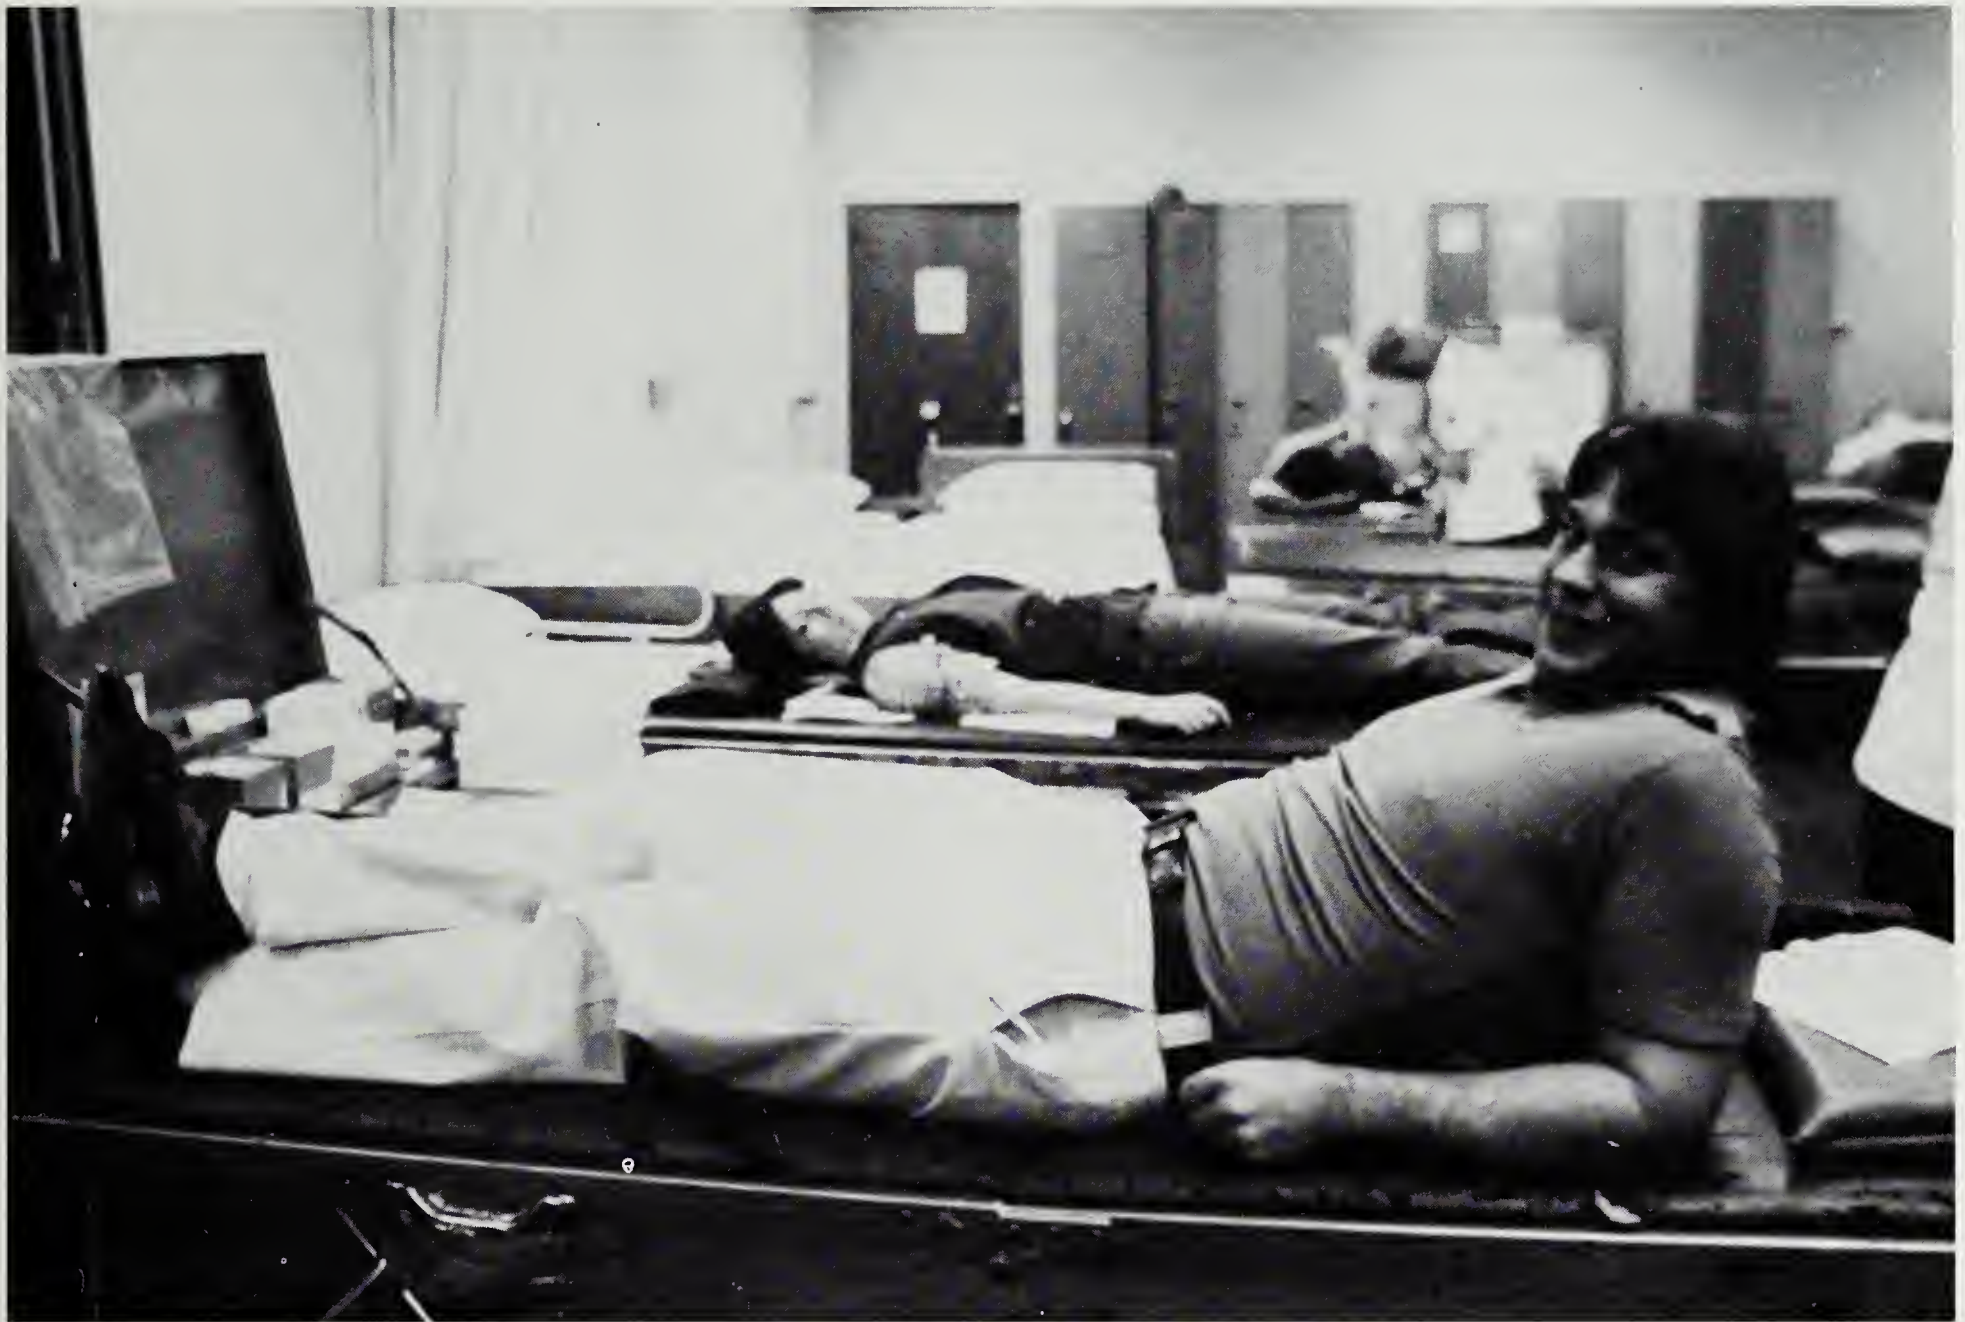

**Teach • er** — N. One who teaches or instructs; esp., One whose occupation it is to instruct.

Not only do they instruct, teachers also serve as coaches, chaperones, sponsors, disciplinarians, hall monitor, counselors, and most importantly, friends.

The teachers of Gar-Field have done an excellent job of preparing the youths of our school to become the leaders of tomorrow. Our hats are off to the many faculty members who have gone beyond the realm of their duties to provide the youth with an education for today the leadership of tomorrow.

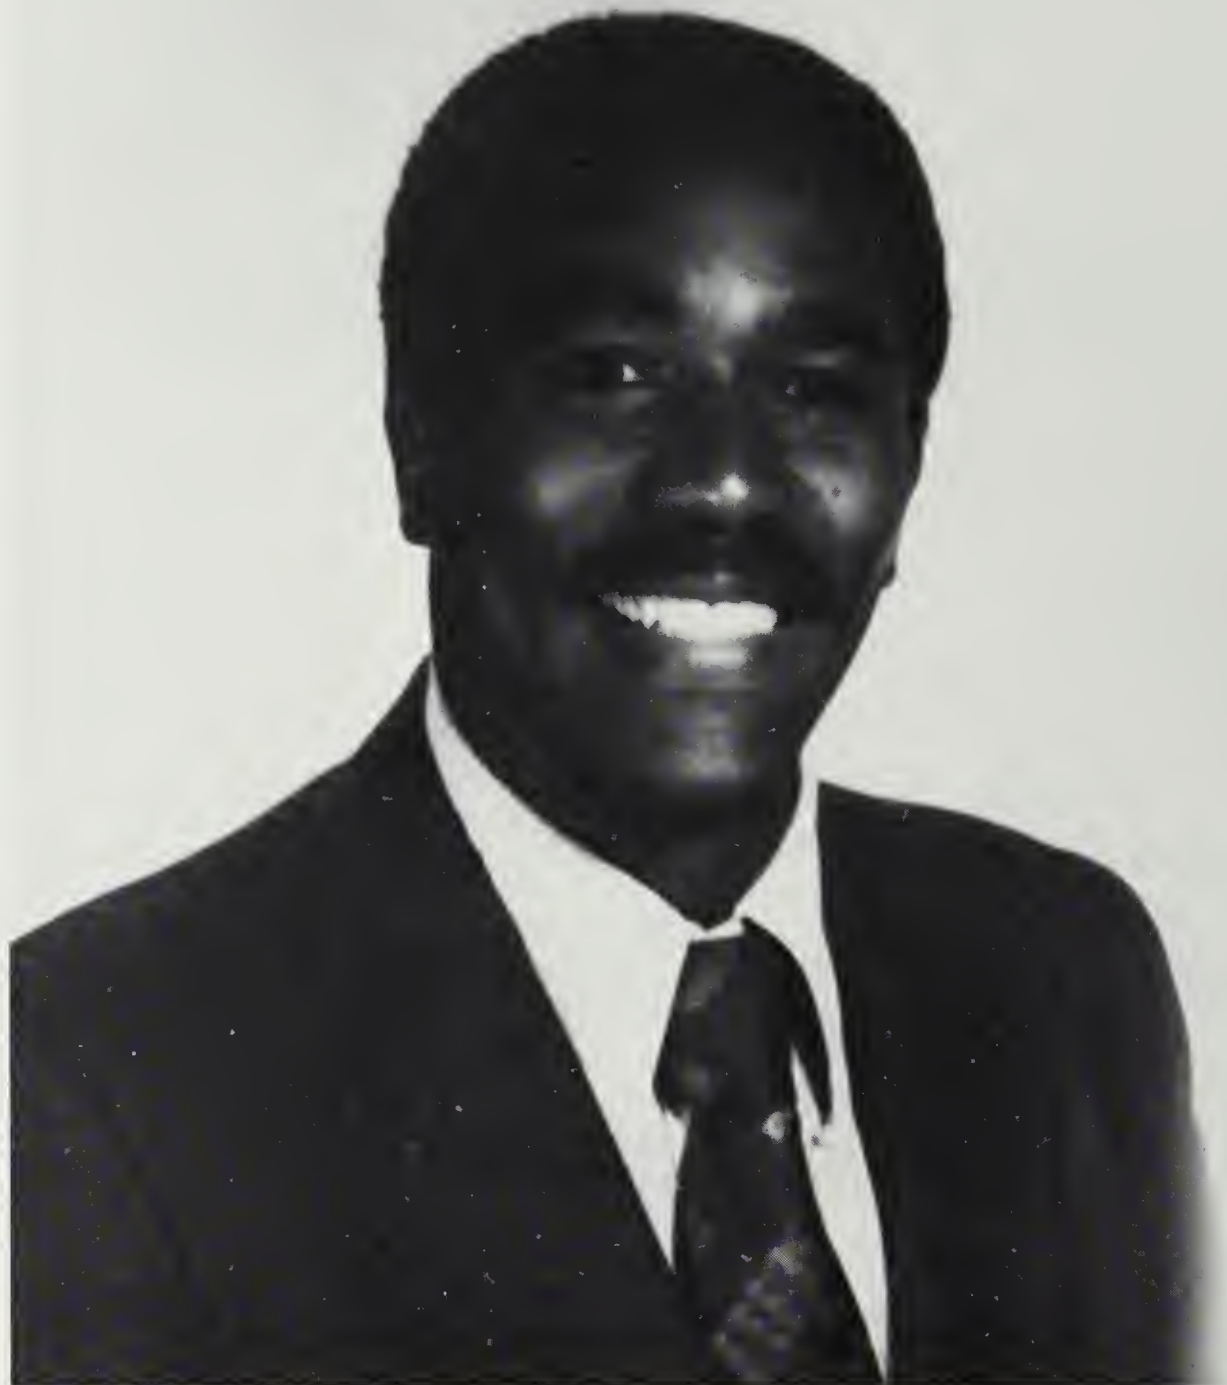

**Opposite Page, Top Left:** Mr. O'Shea, the Sociology teacher, busily plans for the mock wedding. **Top Right:** Ms. Taylor takes time out to pose. **Bottom Right:** Mr. Cardinale boogies at the Super Dance. **This Page, Top:** Mr. Stevens smiles while waiting to give blood. **Bottom Left:** Athletic Director, Mr. Sherrill. **Bottom Right:** Mr. Bunn chats with senior class president, Susan Hill.

# A FACULTY ALL OUR OWN

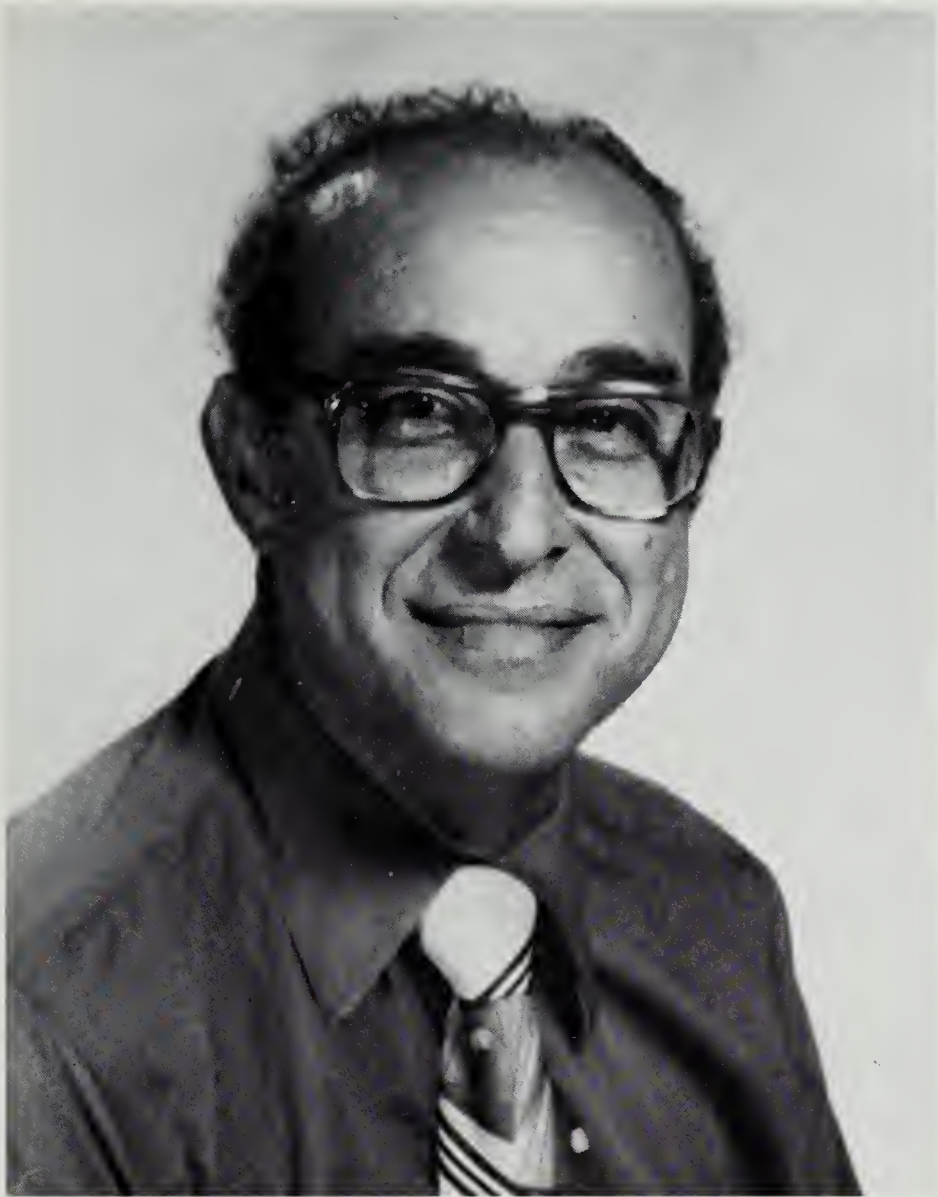

Mr. Phillip Gainous,  
Head Principal

A native of Washington, D.C., Mr. Gainous has established himself as both a friend and advisor to the faculty and student body. Noted for his patience and kindness, not to mention his "t.v. good looks," Mr. Gainous' professional career started at Kramer Jr. High where he was a faculty member. From there, he traveled to Wakefield High where he taught and served as the Head Football coach. The next stop was Wakefield High, where he was an assistant principal. From there, Mr. Gainous came to Garfield where he is now the head principal.

“We hope that this yearbook holds special memories for everyone. This book was made for the students, by the students, and consists of memories of the student’s lives. It is a book “All Our Own”. The staff worked very hard on this and we know our efforts haven’t been wasted. Through producing this record of history, much “artistic friction” was created amongst the staff. This friction shows how much this staff was concerned with creating a volume that they could be proud of and that you too, will be proud of. We sincerely hope that you enjoy it.
